# A b o u t U s

We would like to introduce **COMPLETE AQUA SOLUTIONS** as a professionally managed and fast growing company focused at providing solutions on **Reverse Osmosis** water treatment for domestic, commercial, Industrial and Mineral water plants.m We as an **ISO 9001:2008 certified company** provide and maintain high standard of quality and after sales and service. Our Technical Strengths, Innovations and the Application of Latest Technologies have made us earn the recognition and appreciation of OEMs and our corporate customers.

We "**Complete Aqua Solutions**" are a renowned manufacturer, trader and supplier of a quality assured array of **RO Water Purifier, Industrial RO Water Purifier, RO Spare Accessory, RO Booster Pump, UV Component, Water Cooler** and more. Since our inception in **2012** at **Bengaluru, (Karnataka, India)**, we are blessed by robust and pioneering infrastructural facility that enables us to meet the vast necessities of the patrons. For the flawless functioning of the whole business operations, we have divided this infrastructural facility into different functional departments such as procurement department, production department, quality testing department, sales department, packaging department, etc. The production unit is well-armed with advanced machines and equipments that are essential for hassle free production. Additionally, owing to our crystal clear dealings, vast distribution network and on time delivery, we have attained the trust of patrons across the nation.

Being a customer-oriented entity, we struggle hard to provide our patrons' an exclusive range of purifier at users' premises. In adherence with market quality standards, our offered purifiers are manufactured with the usage of premium quality components and innovative technology.
